Sustainability

Wir wollen, dass es den Menschen nachhaltig gut geht. Darum achten wir jederzeit auf unseren ökologischen Fußabdruck.

We care for people now and in the future. That is why we never lose track of our environmental impact.

Tradition at Heart.

Wir fertigen seit 1886 hochwertige Schuhe. Und nutzen unser Wissen, um immer noch ein bisschen besser zu werden.

We have been manufacturing high-quality shoes since 1886. And we continue using our knowhow to make them even better.

Trust in Progress.

Wir wollen ständig wachsen und noch bessere Lösungen finden. Deshalb haben wir den Fortschritt immer im Blick.

We want to grow and find better solutions every day. That is why we are always looking forward.

Joy of Walking.

Wir möchten, dass die Menschen ein Leben voller Freude genießen. Und machen ihnen deshalb jeden einzelnen Schritt so bequem wie möglich.

We want people to enjoy a life paved with joyful moments. So we strive to make every single of their steps as comfortable as possible.

Care for Detail.

Wir unterstützen die Menschen, wo immer ihr Weg sie hinführt. Darum legen wir Wert auf die Qualität jedes Details.

We want to support people wherever they go. That is why we mind the quality of even the smallest details.

Form of Function.

Wir wollen täglicher Begleiter der Menschen sein. Deshalb steht bei der Gestaltung unsere Schuhe immer die Funktion im Vordergrund.

We want to be people's everyday companion. Therefore we design our shoes following their function.
