Sustainability.

Damit es den Menschen nachhaltig gut geht, achten wir jederzeit auf unseren ökologischen Fußabdruck.

To ensure that people feel good in the long term, we are always mindful of our ecological footprint.

Tradition at Heart.

Seit 1886 fertigen wir hochwertige Schuhe und nutzen unser Wissen, um immer noch ein bisschen besser zu werden.

We have been manufacturing high-quality shoes since 1886 and use our knowledge to keep getting a little better.

Trust in Progress.

Stetiges Wachstum und der Wille zu besseren Lösungen treiben uns an. Aus diesem Grund haben wir den Fortschritt immer im Blick.

Steady growth and a drive for better solutions are what keep us moving forward. That's why we always keep an eye on progress.

Joy of Walking.

Ein Leben voller Freude – das wünschen wir den Menschen. Darum machen wir jeden einzelnen Schritt so bequem wie möglich.

A life full of joy – that's what we want for people. That's why we make every single step as comfortable as possible.

Care for Detail.

Wo auch immer der Weg hinführt: Unterstützung beginnt bei der Qualität jedes Details und genau darauf legen wir besonderen Wert.

Wherever the journey leads: true support starts with quality in every detail and that's exactly what we focus on.

Form of Function.

Als täglicher Begleiter ist es unser Ziel, Schuhe zu gestalten, bei denen die Funktion stets im Mittelpunkt steht.

As a daily companion, our aim is to design shoes that always focus on function.
